

This document is intended as a guide for Queensland residents looking to enter the Queensland Rally Vehicle Registration Scheme.

STAGE 1 – VEHICLE INSPECTION

1. Download the [Application for an Authority to Operate](#) form from AASA website.
2. Complete owner and vehicle details on Pages 1-3
3. Book and complete an inspection with an approved AASA inspector (refer to list at the end of this guide)

STAGE 2 – AASA APPROVAL

4. Gather supporting documents for your application
 - a. Vehicle Images
Acceptable image formats (.jpg, .bmp, .png)
Image size should be between 1-5Mb per image
 - b. Competition history
Include a photo or scanned copy of your vehicle passport or entry confirmation if first event showing proof of competition use.
 - c. Evidence of vehicle origin
Examples include
Previous registration certificate
Import Certificate (if applicable)
Written-Off vehicle clearance certificate (if applicable)
Compliance plate
5. Email a copy of your completed [Application for an Authority to Operate](#) form and supporting documents to info@aasa.com.au.

Once you have received your Approved Authority to Operate from AASA

STAGE 3 – REGISTRATION

6. Print your Authority to Operate from AASA
7. Visit your nearest TMR Centre to complete your Rally Vehicle Registration
