“Extracted from the Standing Regulations Off Road Racing:”

Licence requirements

- 1.1. Competitors must hold a current AASA Off Road Racing licence if driving, or a AASA Co-Driver Off Road Racing Licence if only co-driving, or an approved equivalent. These licences can be issued at a Club or National level. Sub events may be exempt from National licencing, with the licence requirements of those detailed in the Event Supplementary Regulations.
- 1.2. With the approval of AASA, the Event Promoter or, if not, the Clerk of Course, will be responsible for the recognition of what constitutes an approved equivalent licensee
- 1.3. Competitors for Off Road Racing Events aged under 18 years of age must obtain parental or legal guardian consent to enter an event and obtain a AASA Off Road Licence. Where the driver of a vehicle is less than 18 years old and does not hold a current civil (government) driver’s licence, he/she must be accompanied at all times while competing by a crew member, in the vehicle, who either holds a current civil driver’s licence or is not less than 18 years old.
- 1.4. For Club Level Off Road Racing events, the minimum age is 14 years for Drivers and 12 years for Co-Drivers (formerly called navigators), except where State legislation or regulation requires otherwise.
- 1.5. For State and National Level Off Road Racing Events, the minimum age is 14 years for Drivers and Co-Drivers (formerly called navigators), except where State legislation or regulation requires otherwise.
- 1.6. Each competitor is responsible for ensuring their licence is valid prior to the event date. The event secretary, at their discretion, may refuse entry to any competitor who lacks proof of a current, valid licence of an appropriate level.
- 1.7. State and national championship events may be contested by any AASA National Off Road Racing Licence holder complying with these Standing Regulations and the event supplementary regulations.
- 1.8. Drivers participating in their first two Off Road Racing events shall display a “P” plate on the rear of the vehicle.
